

College Navigator

Navigator Role and Expectations

- College experience
- Agree to sustain the Navigator/Scholar relationship for at least 1 year (with the hope of more)
- Over the age of 21
- To maintain a dialogue with your scholar, either by phone, text, email, social media, online, or face to face at least once a month.
- To inquire about progress in school, classes, family, work, college life, or anything that could potentially hinder student success.
- To provide sustained, effective encouragement and guidance to ensure academic success.
- To encourage, offer support and remind scholar of deadlines during the reapplication process.
- To encourage the scholar to attend CSP events, i.e. annual fall gala.
